SHARE Skopje 2022 Forum: Tomorrow Living and Working

SHARE Architects and the Association of Architects of Macedonia in partnership with the Chamber of Certified Architects and Certified Engineers of Macedonia announce the SHARE Skopje 2022 on 15 November.

The International Architecture and Engineering Forum will take place on 15 November at the Macedonian Philharmonic and is organized by SHARE Architects, the largest network dedicated to architecture and construction professionals in Central and South Eastern Europe, the Association of Architects of Macedonia, and in partnership with the Chamber of Certified Architects and Certified Engineers of Macedonia.

The theme of this edition will be Tomorrow Living and Working and is addressing investors and developers, contractors, architects, consultants, and project managers as well as companies with solutions for residential and office projects.

The SHARE Skopje Forum will host architects with outstanding projects and international leaders in innovation and building technologies. Through architectural presentations and debates, SHARE Skopje Forum offers the latest information and knowledge as well as the opportunity for professional networking at the highest level.

Florin Mindirigiu, Co-founder SHARE Architects, about SHARE Skopje 2022

“The SHARE International Architecture and Engineering Forum celebrates its fifth edition in Skopje and focuses on the future of living and working spaces.

This year's edition is dedicated to the concept of "Good living" and we invite you to discover how our living spaces (homes, workspaces, hotels, shops) will evolve: architectural and design challenges for smart, connected and flexible buildings.”

SHARE Architects - main figures in North Macedonia

Present in North Macedonia since 2018, SHARE Architects has welcomed 900 attendees and 64 speakers in the four editions of the forum in Skopje. 9 Macedonian architectural personalities are members of the SHARE Architects Society, an exclusive group within SHARE Architects network that brings together 603 international architectural leaders from 42

countries. More than 1350 professionals from North Macedonia are registered in the SHARE Architects community.

SHARE Architects Network – Connecting architects and contractors in Central and South Eastern Europe

SHARE Architects Forums have become, over the past 25 years, an essential networking platform for architects and contractors in Central and South Eastern Europe. SHARE creates an effective platform for knowledge and understanding of the diversity of the architectural phenomenon of the contemporary architecture. Currently, SHARE Architects events take place in 15 countries in Central and Eastern Europe, and the SHARE Architects community counts more than 50,000 members from all over the world.
