Dear Mr Mile Dimitrovski

The 1st Balkan Forum has been successfully completed and now belongs to history as an important milestone in the further establishment and strengthening of Balkan cooperation.

The dialogue developed during the Forum was very fruitful and constructive, as well as the conclusions were very useful for the promotion of our common strategic aim to achieve Balkan co-development.

With these thoughts, I would like to thank you both for your active participation in the 1st Balkan Forum and for your valuable contribution to the achievement of its aims through the presentation of your views.

Finally, I am looking forward to meet you again in the next 2nd Balkan Forum which will take place in Thessaloniki at April 2019.

Best Regards

The Deputy Minister of Interior
(Sector of Macedonia & Thrace)

Eleftheria Chatzigeorgiou
